WELCOME TO THE

AI-POWERED
YOUTUBE SCRIPT PLANNER

An innovative tool designed to streamline your video content creation process. This planner leverages artificial intelligence to help you craft engaging, well-structured scripts for your YouTube videos efficiently and effectively.

OUR PLANNER IS BUILT AROUND SCRIPT ACRONYM:

S	STORY AND STRUCTURE
C	CAPTIVATING HOOK
R	RESEARCH AND INFORMATION GATHERING
I	INTEGRATE VALUE AND B-ROLL
P	PACING AND TRANSITIONS
T	TIE IT TOGETHER

By following this method and utilizing AI prompts at each stage, you'll be able to create compelling scripts that captivate your audience from start to finish.

HOW TO USE
THIS PLANNER?

1

SEQUENTIAL APPROACH

Work through each letter of the SCRIPT acronym in order. Each section builds upon the previous one, ensuring a cohesive final product.

2

READ INSTRUCTIONS CAREFULLY

At the beginning of each section, you'll find detailed instructions on what to focus on and how to approach that particular aspect of script writing.

3

LEVERAGE AI PROMPTS

Work through each letter of the SCRIPT acronym in order. Each section builds upon the previous one, ensuring a cohesive final product.

Throughout the planner, you'll find AI prompts designed to assist you in generating ideas, overcoming writer's block, and enhancing your content. To use these:
- Copy the prompt into your preferred AI writing assistant (e.g., ChatGPT, Claude, or other AI tools).
- Modify the prompt as needed to fit your specific topic or needs.
- Review and refine the AI-generated content to align with your voice and style.

4

COMPLETE EXERCISES

Each section contains exercises designed to help you apply the concepts to your specific video idea. Take time to complete these thoroughly.

5

USE TEMPLATES

Where provided, utilize the templates to organize your thoughts and the information generated by the AI prompts.

6

ITERATE AND REFINE

Don't hesitate to revisit and revise earlier sections as your script develops. The process is designed to be flexible and iterative.

7

ADD PERSONAL TOUCH

While the AI prompts are helpful, remember that your unique perspective and expertise are what will make your video stand out. Use the AI-generated content as a starting point, but always infuse your personal touch.

8

TRACK PROGRESS

Use the checkboxes provided at the end of each section to monitor your progress through the planner

9

FINAL REVIEW

In the "TIE IT TOGETHER" section, you'll have the opportunity to review and refine script, ensuring all elements work harmoniously.

R E M E M B E R !

This planner is a tool to enhance your creativity and efficiency, not replace your unique voice. The AI is here to assist and inspire, but the final decisions and creative direction should always come from you.

By following this process and leveraging AI effectively, you'll be able to create well-structured, engaging scripts that form the foundation of successful YouTube videos. Each section of the planner will guide you through a crucial aspect of script writing, culminating in a comprehensive and polished final product.

Now that you understand how to use this planner, let's begin with the first step of our SCRIPT process: Story and Structure. Turn the page to start crafting your next amazing YouTube video script!

CONGRATULATIONS!

You've completed the Story and Structure section of your YouTube script planner. This framework will serve as the backbone of your video, ensuring a logical flow of information that keeps your viewers engaged. In the next section, we'll focus on crafting a Captivating Hook to grab your audience's attention right from the start.

YOUTUBE VIDEO SCRIPT *Planner*

CAPTIVATING HOOK

The hook is crucial for grabbing your audience's attention in the first few seconds of your video. A strong hook can mean the difference between a viewer staying to watch or clicking away.

BRAINSTORM HOOK IDEAS

COME UP WITH SEVERAL HOOK IDEAS THAT COULD OPEN YOUR VIDEO. CONSIDER USING:

SURPRISING FACTS OR STATISTICS	INTRIGUING QUESTIONS
BOLD STATEMENTS	SHORT ANECDOTES
TEASERS OF VALUABLE INFORMATION	

AI Prompt: "Generate 5 diverse and captivating hooks for a YouTube video about [your topic]. Include a mix of surprising facts, intriguing questions, bold statements, and teasers."

LIST YOUR FAVORITE AI-GENERATED HOOKS AND ADD YOUR OWN IDEAS

EVALUATE YOUR HOOKS

RATE EACH HOOK ON A SCALE OF 1-5 (5 BEING THE BEST) BASED ON:

RELEVANCE TO YOUR TARGET AUDIENCE	ALIGNMENT WITH YOUR VIDEO GOAL
POTENTIAL TO GRAB ATTENTION QUICKLY	UNIQUENESS AND MEMORABILITY

AI Prompt: "Analyze these 5 hooks [list your top 5 hooks] for a YouTube video about [your topic]. Rate each on a scale of 1-5 for relevance, alignment with the video goal, attention-grabbing potential, and uniqueness. Provide a brief explanation for each rating."

RECORD THE RATINGS AND NOTES FOR YOUR TOP HOOKS

HOOK	RATING	NOTES

REFINE YOUR CHOSEN HOOK

SELECT YOUR HIGHEST-RATED HOOK AND REFINE IT:

CHOSEN HOOK

AI Prompt: "Refine and expand this hook [your chosen hook] for a YouTube video about [your topic]. Provide 3 variations of the hook, each optimized for maximum viewer engagement in the first 10 seconds of the video."

WRITE YOUR REFINED HOOK HERE

CONNECT YOUR HOOK TO THE MAIN CONTENT

EXPLAIN HOW YOU'LL TRANSITION FROM YOUR HOOK TO THE MAIN CONTENT OF YOUR VIDEO

AI Prompt: "Suggest 3 smooth transitions from this hook [your refined hook] into the main content of a video about [your topic]. Each transition should maintain viewer interest and provide a logical flow into the video's core message."

PRACTICE DELIVERING YOUR HOOK

WRITE OUT THE FULL SCRIPT FOR YOUR HOOK AND OPENING LINES: PRACTICE SAYING IT OUT LOUD AND TIME YOURSELF. AIM FOR 10-15 SECONDS.

VISUAL SUPPORT FOR YOUR HOOK

WHAT VISUALS OR ACTIONS WILL ACCOMPANY YOUR HOOK TO MAKE IT MORE IMPACTFUL?

AI Prompt: "Recommend 3 visual elements or on-screen actions that would enhance the impact of this hook [your refined hook] in a YouTube video."

CHECKLIST

- [ ] Brainstormed multiple hook ideas
- [ ] Refined chosen hook
- [ ] Scripted and practiced hook delivery
- [ ] Evaluated and rated top hooks
- [ ] Planned transition to main content
- [ ] Identified supporting visuals for hook

GREAT JOB!

You've now crafted a captivating hook that will grab your viewers' attention right from the start. This strong opening will encourage viewers to keep watching and set the tone for the rest of your video. In the next section, we'll focus on Research and Information Gathering to ensure your content is informative and valuable.
